Handwritten signature

a cause for excessive transit and / or depot damages. The Corporation may, if it so warrants, issue necessary guidelines in case of manufacturers who do not use standard boxes, which shall be followed by them.

- 6.8 Manufacturers shall also ensure that they do not overload the lorries transporting their goods. Needless to mention, such overloading is a major cause of excessive transit and depot damages. Any instance of overloading noticed by the Corporation may result in appropriate action as may be necessary.

7. Adherence to Quality

- 7.1 The manufacturer is expected to ensure that the items delivered to the Corporation are fit for human consumption and adheres to the quality as stipulated by the relevant standards of the Bureau of Indian Standards and/or other standards as may be applicable or as desired by Government of Rajasthan. Government of Rajasthan has decided that IMFL, only with ENA as base raw material, would be allowed in Rajasthan. In exceptional cases beer supplied after 90 days may be accepted after recording reasons subject to minimum charges of Rs. 10/- per carton box for first 10 days and afterwards charges will be Re. 1/- per carton box per day. - 7.2 The Corporation may periodically test samples of such items as it may decide, to ensure that quality standards are adhered to. If an item does not adhere to the quality standards expected of it, sale in respect of that particular batch of the item (if in stock) would be suspended immediately. A communication would be sent to the manufacturer along with the results of tests carried out with a request to withdraw stocks of the particular batch from the depots at his cost. The manufacturer would also be advised to improve the quality to conform to specifications.
- 7.3 All other brands of such manufacturer will also be subjected to examination and the cost of testing these samples would be debited to the manufacturer. Such or other similar losses whenever detected shall be treated as transit losses and the concerned supplier debited accordingly. Any decision of the Corporation as regards the nature and quantum of such losses shall be final. Manufacturers may, if they so desire, depute their representatives to verify such bottles and satisfy themselves.
- 9.3 Manufacturers may appreciate that storage space as a resource has to be optimally utilized and slow moving / non-moving stocks of one manufacturer should not result in limiting market access of others. It is therefore necessary that stocks move regularly and non-moving stocks are weeded out. The stocks held by the Corporation would therefore be categorized as under.

Active stocks – Stocks that are up to 60 days old in case of Beer and upto 120 days in case of IMFL (upto 180 days for Wine, Cider and Brandy only) would be treated as active stocks.

Inactive stock – Stocks that are more than 60 and 120 days old in case of Beer and IMFL (more than 180 days for Wine, Cider and Brandy only) respectively would be treated as inactive or non-moving stocks.

- 9.4 Inactive stocks shall be charged a Inactive Stock Penalty of Rs.2 per carton box per day. The Inactive Stock Penalty shall be computed on the basis of carton box days (i.e. one carton box of an inactive item stored for one day is termed as a carton box day and would attract a Inactive Stock Penalty charges of Rs.2/- and adjusted against the payments due to the manufacturer. Any tax / levy (e.g. Service Tax) chargeable on inactive stock penalty with surcharge thereon, if any, will also be recoverable from the manufacturer as per provision in this regard. This penalty will be charged proportionately in case of loose bottle also on the same pattern.
- 9.5 In the beginning of the month, the Corporation would give details of inactive items as at the end of the previous month, with a request to liquidate them within thirty days. If the manufacturer does not take necessary action to liquidate such stocks within the period aforesaid, the Corporation would dispose off the inactive stocks in any manner as may be appropriate and the difference between the price of delivery of liquor and the amount realized shall be borne by the manufacturer. The manufacturer shall not have any further claim against the Corporation in respect of such stocks. In case of any failure of the manufacturer to deposit any RSBCL dues to be recovered from the manufacturer, the stock of manufacturer may also be disposed off in the same manner to recover the dues after giving notice of 15 days.

File

Corporation margin @ 2% plus Inactive Stock Penalty shall be recovered from the supplier in case stock is taken back stocks for reprocessing, just like other stock.

Corporation margin @ 2% plus Inactive Stock Penalty (subject to the maximum period of six months from the date / month of bottling in case of drain out) shall be recovered from the supplier in case of such stocks also, just like other stock.
- 9.6.1 In case where such beer is not drained out in the Depot itself, it is further provided that the breweries are allowed to take the old stock of beer back to their factories, which is over six months from the date / month of bottling, and lying with the RSBCCL depot, where the same will be drained out under the supervision of Excise Department. The decision with regard to refund / adjustment of Excise Duty on such stocks (taken back to factory) shall be taken by Excise Department as per the provision of Rajasthan Excise Act / Rules. Corporation margin @ 2% plus Inactive Stock Penalty shall be recovered from the supplier in case of such stocks also, just like other stock.

10. Inter Depot Transfers

- 10.1 The Corporation shall have the liberty to effect inter depot transfer of stocks for quick and easy disposal. Manufacturers may also request for such transfers, if in their opinion, such transfers would facilitate disposal of stocks. However, the decision of the Corporation in this regard shall be final.
- 10.2 Manufacturers shall bear all expenses towards inter depot transfers. If for any reason, the Corporation expends any amount towards the transfer, like permit fees, such amounts shall be immediately debited to the account of the manufacturer. - 10.3 Where any application is presented for issue of Inter Depot Transfer order the supplier shall be required to deposit fee @ Rs. 2/- per CB subject to minimum of

The Corporation would provide a statement of provisional sales recorded to facilitate reconciliation. Any missing data due to delays / failures in electronic transfer of data shall be reckoned in the succeeding week and adjusted.
