- vii. The bank guarantee presented as bid security shall be got confirmed from the concerned issuing bank. However, the confirmation of the acceptability of a proposed issuer or of any proposed confirmer does not preclude the procuring entity from rejecting the bid security on the ground that the issuer or the confirmer, as the case may be, has become insolvent or has otherwise ceased to be creditworthy.
- viii. The bid security of unsuccessful bidders shall be refunded soon after final acceptance of successful bid and signing of agreement and submitting performance security.
- ix. The bid security taken from a bidder shall be forfeited in the following cases, namely:-
  - a. when the bidder withdraws or modifies its bid after opening of bids;
  - b. when the bidder does not execute the agreement, if any, after placement of supply / work order within the specified period;
  - c. when the bidder fails to commence the supply of the goods or service or execute work as per supply / work order within the time specified;
  - d. when the bidder does not deposit the performance security within specified period after the supply / work order is placed; and
  - e. if the bidder breaches any provision of code of integrity prescribed for bidders specified in the act and chapter VI of these rules.
- x. In case of the successful bidder, the amount of bid security may be adjusted in arriving at the amount of the performance security, or refunded if the successful bidder furnishes the full amount of performance security.
- xi. The procuring entity shall promptly return the bid security after the earliest of the following events, namely:-
  - a. the expiry of validity of bid security;
  - b. the execution of agreement for procurement and performance security is furnished by the successful bidder;
  - c. the cancellation of the procurement process; or
  - d. the withdrawal of bid prior to the deadline for presenting bids, unless the bidding documents stipulate that no such withdrawal is permitted.

## 9. Performance security-

- a) Performance security shall be solicited from all successful bidders except the department's of the state government and undertakings, corporations, autonomous bodies, registered societies, co-operative societies which are owned or controlled or managed by the state government and undertakings of the central government. However, a performance security declaration shall be taken from them. The state government may relax the provision of performance security in particular procurement or any class of procurement.

# RAJASTHAN STATE GANGANAGAR SUGAR MILLS LTD

- b) The amount of performance security shall be **five percent**, or as may be specified in the bidding documents, of the amount of supply order in case of procurement of goods and services. In case of Small Scale Industries of Rajasthan it shall be one percent of the amount of quantity ordered for supply of goods and in case of sick industries, other than Small Scale Industries, whose cases are pending before the Board of Industrial and Financial Reconstruction (BIFR), it shall be two percent of the amount of supply order.
- c) Performance security more than Rs.10.00 lac shall be furnished in any one of the following forms-
  - i) Bank draft or banker's cheque of a scheduled bank;
  - ii) Bank guarantee/s of a scheduled bank shall be got verified from the issuing bank. Other conditions regarding bank guarantee shall be same as mentioned in the rule 42 of RTPP Rules 2013 for bid security;
  - iii) Performance security deposit shall remain valid for a period of sixty days beyond the date of completion of contractual obligations of the bidder. This shall be returned after successful completion of the contract. In case non fulfillment of the contract, security amount so deposited can be forfeited in full or in part. Decision of the director in charge in this regard shall be final. No interest shall be paid on such deposit. Adjustment of balance of previous performance security against past bids, if any, will not be allowed.

## 10. Execution of agreement-

- a) A procurement contract shall come into force from the date on which the letter of acceptance or letter of intent is dispatched to the bidder.
- b) The successful bidder shall sign the procurement contract within a period specified in the bidding document or where the period is not specified in the bidding document then within fifteen days from the date on which the letter of acceptance or letter of intent is dispatched to the successful bidder.
- c) If the bidder, whose bid has been accepted, fails to sign a written procurement contract or fails to furnish the required performance security within specified period, the procuring entity shall take action against the successful bidder as per the provisions of the act and these rules. The procuring entity may, in such case, cancel the procurement process or if it deems fit, offer for acceptance the rates of lowest or most advantageous bidder to the next lowest or most advantageous bidder, in accordance with the criteria and procedures set out in the bidding documents.
- d) The bidder shall be asked to execute the agreement on a non-judicial stamp of specified value 0.25% of the contract amount or value set forth in such contract.

## 11. Bid shall be valid

- a. 90 days from the date of opening of technical bid.
- b. Subsequent to acceptance of bid, the rate shall remain valid throughout the contract

period or for the period for which bids are invited whichever is higher.

12. Right to vary quantity- If the procuring entity does not procure any subject matter of procurement or procures less than the quantity specified in the bidding documents due to change in circumstances, the bidder shall not be entitled for any claim or compensation except otherwise provided in the bidding documents.
13. If the rate contract holder, its affiliates and associates quotes / reduces its price to render similar goods, works or services at a price lower than the rate contract price to anyone in the state at any time during the currency of the rate contract, the rate contract price shall be automatically reduced with effect from the date of reducing or quoting lower price, for all delivery of the subject matter of procurement under that rate contract and the rate contract shall be amended accordingly. The firms holding parallel rate contracts shall also be given opportunity to reduce their price by notifying them the reduced price giving them fifteen days' time to intimate their acceptance to the revised price. Similarly, if a parallel rate contract holding firm reduces its price during currency of the rate contract, its reduced price shall be conveyed to other parallel rate contract holding firms and the original rate contract holding firm for corresponding reduction in their prices. If any rate contract holding firm does not agree to the reduced price, further transaction with it, shall not be conducted.
14. The bids should be submitted along with samples, if required.
15. **Liquidated Damages:**

- (i) If the contractor fails to execute the order/contract within the period specified in the bid, and if such failure have arisen from, any unforeseen cause such as strike, fire, accident, any natural calamity resulting in stoppage of work in the factory, of the manufacturer or similar reasons which the Director In charge of RSGSM Ltd. may feel valid for an extension of the time, may extend the period without charging any liquidated damages. His decision shall be final regarding the sufficiency or otherwise for extension of time.
- (ii) If the bidder fails to execute the order within the period specified in the bid, the Director In charge of RSGSM Ltd may at his discretion may allow extension of time subject to recovery from the bidder as liquidated damages with 18% GST and not by way of penalty, a sum equal to the following percentage of the value of goods which the bidder has failed to supply for the period of delay as stated below:-

## **Notes :**

# RAJASTHAN STATE GANGANAGAR SUGAR MILLS LTD

- i. Fraction of a day in reckoning the period of delay in supply shall be eliminated if it is less than half a day.
  - ii. The maximum amount of liquidated damages shall be 10%.
  - iii. When the successful bidder is unable to complete the order/contract within the specified or extended period, the company shall be entitled to accept supply from the open market without giving any notice to the bidder but at his risk and cost i.e. bidder's account and risk the goods or any part thereof which the bidder has failed to supply or if not available the best and nearest available substitute thereof or to cancel the contract and the bidder shall be liable for any loss or damage which the company sustained by reason of such failure on the part of the bidder. But the bidder shall not be entitled to any gain on such purchase made against default. The recovery of such damage shall be made from any sum accruing to the bidder under this or any other contract with the company. If recovery is not possible from the bills and the bidder fails to pay the loss or damage within one month, the recovery shall be made under any law for the time being in force or from any other bills outstanding with the company.
  - iv. If the supplier requires an extension of time in completion of contractual supply on account of occurrence of any hindrance, he shall apply in writing to the authority, which has placed the supply order, for the same immediately on occurrence of the hindrance but not after the stipulated date of completion of supply.
  - v. Delivery period may be extended with or without liquidated damages if the delay in the supply of goods is on account of hindrances beyond the control of the bidder.
16. In the event of breach of the contract at any time on the part of the contractor/supplier, the contract may be terminated summarily by the Director In charge of the company with such conditions as may be deemed fit.
17. All legal proceedings, arising out of this contract shall be subject to the jurisdiction of the courts situated at Jaipur city only.
18. If the bidder resiles from his offer or offers new terms after opening of the bid, its bid security is liable to be forfeited with 18% GST.
19. **Procuring entity's right to accept or reject any or all bids-** The procuring entity reserves the right to accept or reject any bid, and to annul the bidding process and reject all bids at any time prior to award of contract, without thereby incurring any liability to the bidders. Reasons for doing so shall be recorded in writing.
20. The bidder shall be responsible for the proper packing of sample so as to avoid damages under normal conditions of transport by road, sea, rail or air and delivery of the sample in good conditions to the consignee at destination.
21. It is of the opinion that it is essential to evaluate the technical aspects of a bid before considering its financial aspect, call for bids in two envelopes, namely: -
- (i) the techno-commercial bid containing the technical, quality and performance aspects, commercial terms and conditions; and
  - (ii) the financial bid containing financial aspects including the price.
22. In case the procuring entity calls for bids in terms of clause (b) of sub-section (1), the techno-commercial bid shall be opened and evaluated first and the financial bid of

## **RAJASTHAN STATE GANGANAGAR SUGAR MILLS LTD**

only those bids which have been found technically acceptable, shall be opened and evaluated.

## **Annexure A : Compliance with the Code of Integrity and No Conflict of Interest**

Any person participating in a procurement process shall -

- (a) not offer any bribe, reward or gift or any material benefit either directly or indirectly in exchange for an unfair advantage in procurement process or to otherwise influence the procurement process;
- (b) not misrepresent or omit that misleads or attempts to mislead so as to obtain a financial or other benefit or avoid an obligation;
- (c) not indulge in any collusion, Bid rigging or anti-competitive behavior to impair the transparency, fairness and progress of the procurement process;

### Additional Conditions of Contract

#### 1. Correction of arithmetical errors

Provided that a Financial Bid is substantially responsive, the Procuring Entity will correct arithmetical errors during evaluation of Financial Bids on the following basis:

- i. If there is a discrepancy between the unit price and the total price that is obtained by multiplying the unit price and quantity, the unit price shall prevail and the total price shall be corrected, unless in the opinion of the Procuring Entity there is an obvious misplacement of the decimal point in the unit price, in which case the total price as quoted shall govern and the unit price shall be corrected;
- ii. If there is an error in a total corresponding to the addition or subtraction of subtotals, the subtotals shall prevail and the total shall be corrected; and
- iii. If there is a discrepancy between words and figures, the amount in words shall prevail, unless the amount expressed in words is related to an arithmetic error, in which case the amount in figures shall prevail subject to (i) and (ii) above.

If the Bidder that submitted the lowest evaluated Bid does not accept the correction of errors, its Bid shall be disqualified and its Bid Security shall be forfeited or its Bid Securing Declaration shall be executed.

#### 2. Procuring Entity's Right to Vary Quantities

- i. If the Procuring Entity does not procure any subject matter of procurement or procures less than the quantity specified in the Bidding Document due to change in circumstances, the Bidder shall not be entitled for any claim or compensation except otherwise provided in the Conditions of Contract.
- ii. In case of procurement of Goods or services, additional quantity may be procured by placing a repeat order on the rates and conditions of the original order. However, the additional quantity shall not be more than 50% of the value of Goods of the original contract and shall be within one month from the date of expiry of last supply. If the Supplier fails to do so, the Procuring Entity shall be free to arrange for the balance supply by limited Bidding or otherwise and the extra cost incurred shall be recovered from the Supplier.

3. **Dividing quantities among more than one Bidder at the time of award (In case of procurement of Goods):** Dividing quantities among more than one bidder at the time of award- As a general rule all the quantities of the subject matter of procurement shall be procured from the bidder, whose bid is accepted. However, when it is considered that the quantity of the subject matter of procurement to be procured is very large and it may not be in the capacity of the bidder, whose bid is accepted, to deliver the entire quantity or when it is considered that the subject matter of procurement to be procured is of critical and vital nature, in such cases, the quantity may be divided between the bidder, whose bid is accepted and the second lowest bidder or even more bidders in that order, in a fair, transparent and equitable manner at the rates of the bidder, whose bid is accepted if such condition is specified in the bidding documents. Counter offer to first lowest bidder (L1), in order to arrive at an acceptable price, shall amount to negotiation. However, any counter offer thereafter to second lowest bidder (L2), third lowest bidder (L3) etc., (at the rates accepted by L1) in case of splitting of quantities, as pre- disclosed in the bidding documents, shall not be deemed to be a negotiation.
